# Seniors' News

After nearly a year and a half off, it looked like we could resume activities in September. However, with the number of Covid cases heading in the wrong direction, we will NOT open in September after all. We will, however, re-evaluate the situation month by month for a possible return. Whenever a restart date is decided, our phoning committee will be contacting all members with all details, making sure everyone is aware of our opening plans. In the meantime, keep active and stay safe.

## *President's Message*

Слава Ісусу Хресту!  
Glory be to Jesus Christ!

On behalf of the Parish Council I would like to extend a hearty "Welcome Back!" To all parishioners as we start the new liturgical year. We have all been looking forward to the ability to gather together in person and reconnecting with our church family after a much needed summer break!

Although the recent surge of the Delta Variant will likely require some mitigation, your Parish Council encourages everyone to take whatever measures they feel necessary in order to continue attending Church in person and continuing to worship together.

This year our particular focus is on encouraging our families with children to come to church and participate in the many children's programs. As parents of 4 young children, Betsy and I are reminded daily that modern family life is a constant struggle between education, extra-curricular activities, home life and church/faith. Our church has many opportunities for children to be present and involved in learning more about their faith and being active participants in our liturgical services, as well as gathering and socializing with other children within the church community.

We are excited to embark on this new year with you all and to rise to the challenges of the pandemic together through prayer and fellowship.

Adrian Olenick  
Parish President

## "Memories of Father Wolodymyr Iwaszko" \*\*Book Project Update\*\*

To honour and preserve the memory of Reverend Mitrat Wolodymyr Iwaszko, the Youth and Young Adult Ministry of the Ukrainian Catholic Eparchy of Saskatoon, in cooperation with the youth from Sambir (Ukraine), have launched several projects. Fr. Iwaszko was a simple priest who left an enduring legacy of selfless service to God, country and community, - especially to youth in Canada and in Ukraine. Nearing completion is the first project- a book that will include Fr. Wolodymyr's memoirs, which he wrote at the age of 85. Many photographs and much material has been collected and compiled, documenting how his life story serves as an inspiration

to all he touched; reflecting how his memory remains forever in the hearts and minds of those fortunate enough to have known him.

We invite you to be part of this monumental project by making a donation towards the publication of the book. Any financial support is sincerely welcomed! Donors will be listed in the book.

Please make your cheque payable to "Ukrainian Catholic Eparchy of Saskatoon" indicating that your donation is towards the "**Memories of Fr. Iwaszko Project – Book.**" **Mail to:**

**Chancery Office – 214 Avenue M South, Saskatoon, SK S7M 2K4.** A charity receipt will follow.

If you have any questions or require more information regarding this project, please contact Viktoriia Marko, Director of Fr. Iwaszko Projects, at 306-914-0355 or email [uwitness2youth@skeparchy.org](mailto:uwitness2youth@skeparchy.org).

Thank-you!

# SEASON OF CREATION

From the Office of Human and Environmental Development Program  
Dr. Lesya Sabada, Coordinator

## An Eastern Christian Point of View on the Season of Creation

*"Where there is no vision, the people will perish" Proverbs 29:18*

The ecological vision of the Eastern Church is grounded in the Biblical and Patristic understanding of the interrelation and reciprocity outlined in the five main points below:

- 1) Creation is an ecological order involving unity, diversity, interdependence, hierarchy, and harmony.
- 2) Human nature is both integrally part of the order of creation, and at the same time, there is something in our nature - our Divine image – that transcends the created order, making us both responsible for creation as priests and stewards and dependent upon it in our kinship with all life.
- 3) The nature of the relationship of human nature with the order of nature is one of dynamic reciprocity; that is, what humans are and what humans do is central to sustaining or the destruction of order and harmony in nature.
- 4) Metanoia – change of heart followed by a change of life is key to all earth keeping and care for creation. If human nature is integral to the order of nature, then disorder in nature can be restored only by order in human beings.
- 5) The human energy that creates, sustains, and restores order in nature is the energy of sacrificial love, grounded in *ascesis* – self-discipline.

### What can Participants expect?

- online gatherings that will be informative, interactive and engaging.

- through participation in the sessions, assigned readings and offline individual group work, groups of volunteers will build an identity to foster their ministry in a pro-active and professional way. Participants can expect about 2-3 hours of work each week in addition to the bi-weekly Network Sessions, and any ministry programs that are initiated for young people.
- casual volunteers are welcome to participate with a reduced time commitment, provided there is a core team for the parish that commit to the process for the parish.
- the program will follow the pace of the volunteers gathered for this opportunity.
- ongoing support of planning of initiatives to build or continue their ministry efforts.
- resource sharing on social media and virtual platforms.
- assistance with creative possibilities in designing initiatives and evaluation of progress.

### Calling together a Team to take this Journey

- encourage about 5-10 people to be part of this journey
- talk to parishioners who are parents and desire a creative venture to build faith and community with young people.
- talk to parish staff and key volunteers who are looking at building their team and efforts in ministry
