UCWLC Cultural Committee

Practical Solutions for Sanctifying Everyday Circumstances

The Education Committee will be running a DVD scripture study on Sundays at 6:30 p.m. in the church auditorium. We will be "opening the book" at the Letter of James. **The first session will be held on January 28th.**

Looking for an anchor to hold you steady through the storms of life? Want the secret to finding joy amid trials? Interested in learning to recognize the source of discord and the way to peace? James, one of the most practical books of the Bible, is a collection of teachings on issues faced by ordinary Christians in everyday life.

In James: Pearls of Wise Living, Jeff Cavins shows how the teachings of James speak to those of us who feel torn between the competing demands of our society, culture, and our faith. Written to help a fledgling Church live out its faith in the face of persecution and a worldview opposed to the gospel, the book of James will help you discover wisdom you can apply to your life now in 2024.

"The Holy Scriptures were not given to us so that we should enclose them in books but so that we should engrave them upon our hearts." St. John Chrysostom
