UKRAINIAN IMMIGRATION STORIES THROUGH THE EYES OF DISPLACED YOUNG PEOPLE

Dear Parishioners,

As you might be aware, the students of our Ukrainian program at Bethlehem Catholic High School have launched a project – **a book of Ukrainian immigration stories through the eyes of displaced young people.**

We will continue to collect the stories until the end of this school year. We thank you for encouraging young people to share their stories with us and we kindly ask you to continue inviting high school Ukrainian displaced students to participate in the project. This book, shared by young witnesses of this horrible war time, will leave behind a legacy for future generations. Moreover, His Beatitude Sviatoslav (Shevchuk), the Head of the Ukrainian Catholic Church, stated that this book would be much valuable for future generations. He also mentioned that the project itself, is a healing remedy for those who share their stories. The Patriarch was delighted with the project and gave his blessing to the students.

Information about the project

The goal is to publish a bilingual book with the stories of high school age Ukrainians from our Catholic school division, who arrived from different parts of Ukraine due to the full-scale invasion of russia. The stories would include their sharing of how the war impacted them personally (as well as their families), and their adaptation to Canadian society. Their stories can be submitted in Ukrainian, and we will be able to translate them into English. It will be a bilingual book with both Ukrainian and English versions of each story.

Those students who are interested to share their stories are asked to write a consent email to VMarko@gscs.ca. After receiving the email, I will reach out to them, providing them with the detailed information so they could start working on their story.

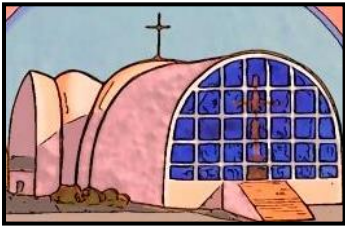

Students who choose to submit their story do not have to provide their personal names, or the names of their family members, officials, people in authority, individuals who assisted them, or of towns/villages/cities/regions/etc. They may use pseudonyms if they wish to remain anonymous.

If you have any questions, please do not hesitate to send me an email.

Thank you!

Peace & Blessings,

Viktoriiia Marko,
Religious Consultant, Byzantine Rite
Teacher, Bethlehem High School &
Bishop Filevich Bilingual School
